# COMMUNITY WORK IN MEKONG DELTA

Do your trip more meaningful! In Mekong River Delta, HGH has been working with the rural communities by linking tourists with communities to set up the house-construction programs as part of their tour experiences.

ENJOY HOME-STAY AND MAKE THE WATERWAY TOURS TO GET A FULL EXPERIENCE ABOUT THE WETLAND DELTA.

Some of local families live under the poverty line and children school is in poor condition. One of the most humanitarian activities that you can contribute to community development is giving the saving and labor to build a house or renovate a children school.
